- 10.3. The field size during Extra Time remains full size.

11. Travelling Teams

- 11.1. Travelling teams outside of the NQTA Central Zone who do not make finals will have the opportunity to play additional games on the Sunday. This is to ensure schools get value for their time in attending the Championship.
- 11.2. Teams wishing to play additional games are required to indicate this by correctly completing and submitting Schedule A of the Team Nomination document.
- 11.3. Games will only go ahead if there is field availability and enough interest from travelling teams to participate.

12. Team Make-Up & Uniform Requirements

- 12.1. All teams are to consist of a maximum of 14 players with six (6) players on the field at any one time.
- 12.2. Players must be under 19 years of age as at the 31/12/2023 and have been enrolled at the school for at least four (4) weeks prior to the carnival. Disregard for this rule will lead to the offending team being disqualified from the Championship.
- 12.3. Schools can source extra players from other schools if required, if that school has their full team nominated or the other school is not participating in the Championship. A school clearance letter must be supplied from the school the student is attending before being accepted into another school's team. Teams utilising this rule will be eligible to participate in the final series.
- 12.4. Single-gender schools may combine to form a team in the Minor Mixed, Junior Mixed, and Open Mixed divisions only. All players must be enrolled in their school as per 12.2 above.
- 12.5. Players may only be registered and play for one team. Disregard for this rule will lead to the offending team being disqualified from the Championship.
- 12.6. To be eligible for finals, players must play at least 50% of the round games in their division. Where a team has only three (3) round games, to be eligible for the finals series the player must have played two (2) games. A bye counts towards games played.

13. Discipline

- 13.1. Swearing by players/coaches/team officials will not be tolerated at any time. Referees will immediately penalise any player/coach/team official who uses foul language. Repeated infringements by the same player/coach/team official will result in dismissal from play under TFA Playing Rule 23.
- 13.2. Any player/coach/team official who receives a dismissal under TFA Playing Rule 23 will automatically come before a disciplinary tribunal to decide an appropriate penalty.
- 13.3. Following the completion of a game, the team captain may ask the referees questions regarding interpretation of the rules and decisions but must do so in a polite and timely manner. If the discussion becomes heated, it will be terminated by the referee and a thirty (30) minute "cool down" period will be enforced. After this time, the team coach may approach the Championship Referee Coordinator and request a meeting between them and the referee.

14. Presentation

- 14.1. We will be having split presentations throughout the Grand Final games to assist travelling teams who need to depart. Once the draw has been drafted, presentations will take place during half time of the proceeding game that follows the grand final game of your division.
- 14.2. Presentation times will be in managers folder handed out at managers meeting on the Saturday morning.

15. Referees

- 15.1. All teams nominated must provide one (1) accredited non-playing and non-coaching referee per team. His/her full contact details are to be provided on the Referees Nomination Form (Schedule B). Team nominations will not be accepted without an appointed referee per team. It is recommended that appointed referees not be a team official from another team as the draw will not be able to accommodate this request. If a referee suddenly becomes unavailable prior to the commencement of the Championship, the team will not be able to play unless they acquire another referee.
- 15.2. The appointed referee will need to be available to referee his/her team for the duration of the Championship; that is for, at a minimum, all the round games. The Referee Coordinator will appoint referees for the finals, and all nominated referees are required to be available.
- 15.3. Nominated referees **MUST** be accredited & capable to referee at the standard required for the division they have been nominated for by their school.
- 15.4. Where the nominated referee fails to turn up to his/her designated game and the Coach/Team Manager does not find a replacement in a reasonable time frame in respect to which field the game is being played, that team will receive zero (0) competition points for that game.
- 15.5. Replacement referees will need to be found prior to the game starting. The game will not commence until two (2) referees are on the field. Coaches / School Coordinators must find a replacement referee.
- 15.6. All Referees will be required to attend a Referees meeting on each morning of the Championship as part of their duty. Timings will be advised by the Championship Referee Coordinator prior to the commencement of the Championship.
- 15.7. Referees who officiate for the weekend will receive LUNCH/DRINK VOUCHERS on Saturday (and on Sunday if required.) It is suggested that team officials determine ways to reward/thank their referees appropriately for their time and availability for this Championship.
