Subject: NQSC Tent Map

Please find below the NQSC Tent Map, which outlines the planned locations of all Affiliate Tents around the fields for the upcoming event. **Please note:** The below map is **not to scale** and is intended as a guide only. Tent numbers and the corners of each tent site will be clearly marked on the grass at the venue to assist with locating and setting up your allocated space.

The map has been prepared to assist with the event setup, ensure adequate spacing between tents, and support the safe movement of players, officials and spectators throughout the venue.

Please review the map before the event and note the location of your allocated tent. During setup, ensure your tent is positioned according to the map unless otherwise directed by the event coordination team.

If you identify any issues with your allocated location or have specific setup requirements, please advise the event coordinator as soon as possible so arrangements can be made prior to the event.

Security arrangements:

Friday – Security **will not be provided on Friday night**. Any tents or equipment erected on Friday are left entirely at the affiliates own responsibility and risk, NQ Touch will not be liable for any damage caused to any equipment/belongings left on the premises during this time.

Saturday – NQ Touch will provide overnight security from 6:00pm Saturday till 6:00am Sunday. While security personnel will be onsite during these hours, affiliates are encouraged to secure any valuable items and avoid leaving any other high-value equipment unattended.

Thank you for your cooperation in helping us ensure a safe, organised, and successful NQSC event.
